Direct Debit payments

Payment by direct debit means your subscription to Nautilus International will be paid on time, every time.

You will be spared the nuisance of getting reminders and the inconvenience of having to alter your standing order whenever the subscription changes. This is because direct debit allows for variations in the amount paid by your bank on your behalf.

You can also pay your subscription in instalments and decide which week in the month they are to be taken on, if you prefer. Tick the appropriate box on the form.

If no preferences are shown we will assume monthly payments on the 1st week of each month.

This guarantee should be detached and retained by the Payer

The Direct Debit Guarantee

- This guarantee is offered by all banks and building societies that take part in the direct debit scheme. The efficiency and security of the scheme is monitored and protected by your own bank or building society.
- If the amounts to be paid or the payment dates change you will be told of this in advance.
- If an error is made by Nautilus International or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid.
- You can cancel a direct debit at any time by writing to your bank or building society.
- Please also send a copy of your letter to us.
