Pay and conditions

Nautilus International negotiates on your behalf with an increasing number of British, Dutch and other foreign flag employers on issues including pay, conditions, leave, hours and pensions. The Union also takes part in top-level international meetings on the pay and conditions of maritime professionals in the world fleets.

Legal services

With the maritime profession under increasing risk of criminalisation, Nautilus Legal offers members an extensive range of legal services provided by specialist lawyers in nearly 60 jurisdictions.

Members and their families also have access to a full range of legal services, including access to a helpline offering free initial advice on non-employment issues.

Certificate protection

As a full member, you have free financial protection, worth up to £122,300, against loss of income if your certificate of competency is cancelled, suspended or downgraded following a formal inquiry. Full members are also entitled to representation during accident investigations or inquiries.

Compensation

Nautilus International's legal department recovers substantial amounts in compensation for members who have suffered work-related injuries or diseases.

Workplace support

Nautilus International officials provide expert advice on work-related problems such as contracts, redundancy, bullying or discrimination, nonpayment of wages, and pensions.

Safety and welfare

Nautilus International plays a vital role in national and international discussions on such key issues as hours of work, crewing levels, shipboard conditions, vessel design, and technical and training standards.

The Nautilus Welfare Fund charity operates a 15-acre welfare complex in Wallasey, England, which provides homes and care for retired seafarers, and administers welfare grants to seafarers in need.

Nautilus International has a major say in the running of the Ensign Retirement Plan. It also deals with policy issues nationally, company schemes and auto enrolment issues and seeks to meet the needs of seafarers and others working in the shipping industry, at sea and ashore. The Nautilus Pensions Association provides the focus for member involvement.

Savings

Nautilus Plus provides members with a fantastic portfolio of money-saving discounts. All designed with the seafarers' lifestyle in mind, these cover a wide range of services such as health club membership, car hire, hotel accommodation, gas and electricity, and package holidays, as well as special services at airports such as parking and lounges. Members can also earn up to 15% cashback at major retailers, and Nautilus Plus also provides specialist expert advice on mortgages, financial planning and insurance.

In touch

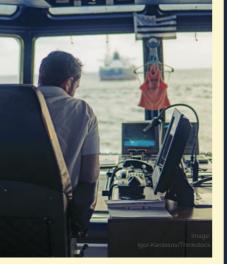

As a Nautilus International member, help is never far away — wherever you are. Officials regularly visit members onboard ships and further support and advice is available at regular 'surgeries' and college visits throughout the UK and the Netherlands. And the Nautilus 24/7 service is there for you in case of emergency, anywhere, anytime.

Your union, your voice

Nautilus International is the voice of more than 22,000 maritime professionals working in all sectors of the shipping industry, at sea and ashore. As the largest and most influential international union representing maritime professionals, we campaign intensely to promote your views.

Get involved!

Nautilus International is a dynamic and democratic union, offering members many opportunities to be fully involved and have your say in our work — at local, national and international level.
